

# I LIKE TO LISTEN TO THE PROPHET

Words and Music by  
Ruth B. Gatrell

*moderato*

*pppp rit.* *a tempo*

I like to lis - ten to the proph - et. His  
words are good and true. When he speaks, he al - ways  
tells me Just what I should do. I  
see love shin - ing, like the Sav - our's, In his face for me and  
you. He cares for each one of God's child - ren. Like  
Christ, he loves me too. He wants us all to  
live the way to be with God once more. And  
if his coun - sel we o - bey, He'll o - pen wide the  
door. I like to lis - ten to the proph - et. He's  
here to be my guide. When he speaks, I  
*pppp rit.* *a tempo*  
feel God near, And I want Him by my side.
