The Gospel Makes Us One

The gospel makes us one
Wherever we may live--
On distant shore or right next door
God's message we can give.

The gospel makes us one
Though skin be dark of light--
It's what we do that shows we're true
To what we know is right.

The gospel makes us one,
With little means or great--
In how we care and what we share
The Lord's work cannot wait.

The gospel makes us one,
In vibrant youth or age--
God's work to do is here for you;
Each day is life's new page.

The gospel makes us one
In land oppressed or free--
If hearts are right our love shines bright
For all the world to see.

The gospel makes us one--
We all God's children are.
How great the need God's word to speed
To all men near and far.
